Dear Sir,

Sub: Commissioning of 5.5 Mega Watt (MW) Solar Power Plant at Damoh, Madhya Pradesh

In compliance with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that HeidelbergCement India Limited ("the Company") has commissioned a 5.5 Mega Watt (MW) Solar Power Plant in its mining area located in Damoh, Madhya Pradesh. The aforesaid initiative will not only generate electricity but also reduce CO<sub>2</sub> footprint.

A Press Release being issued by the Company in this regard is attached for kind perusal.

Thanking you,

Yours faithfully,  
For HeidelbergCement India Ltd.

  
Rajesh Relan  
Legal Head & Company Secretary

## Press release

### HeidelbergCement India increases its share of green power

HeidelbergCement India Limited has commissioned a 5.5 Mega Watt (MW) Solar Power Plant in its mining area located in Damoh, Madhya Pradesh. The mining operations and clinker plant at Damoh have started receiving supply of electricity. The solar plant is expected to generate c. 10 Gigawatt hours per annum solar energy and the same will replace electricity purchased under short term open access and from grid.

The expected CO<sub>2</sub> savings by generating solar energy would be ~ 225,000 tonnes over the standard life of the plant. The commissioning of the Solar Plant is yet another milestone in reducing CO<sub>2</sub> footprint. On this occasion, Jamshed N Cooper, Managing Director shared that “HeidelbergCement India Limited reaffirms its commitment to increase its share of green energy and spearhead in its sustainability initiatives”.
