Dear Sir,

Sub: Waste Heat Recovery based Captive Power Generation Plant at Damoh – Commencement of generation of power (Compliance with Regulation 30 of the Listing Regulations)

We are pleased to inform you that the Company has taken a stride in environmental sustainability by successfully commissioning the Waste Heat Recovery based Power Generation Plant at its Narsingarh Plant in Damoh, Madhya Pradesh today i.e., 15th February 2016.

The Power Plant will utilise the waste heat generated by the clinkerisation lines at Narsingarh Plant. The Power Plant at optimum level has potential to generate approximately 12 MW of power. The power generated by the said Plant will substitute equivalent grid power thereby reducing the power cost of the Company.

Please take the same on record.

Thanking you,

Yours faithfully,
For HeidelbergCement India Ltd.

Anil Kumar Sharma
Chief Financial Officer
